

Chrestos Mission Update March 2011

The Spirit of God uses the Word of God to teach us the will of God.

We are now coming to the end of our academic year 2010-2011 at the Chrestos Bible School. It has been a time of learning to live and to love the Word of God. Just three weeks left of this term, with graduation of our fourth year students on April 3.

We have just had a **Men's Conference** with ninety men joining us for three days of teaching and fellowship. A **Youth Conference** is planned for April.

Three of the older boys in the Home of Peace and Joy will be going on to study at higher levels. Leekid will study three more years at a very good high school in town, and two others, Samart and Somchai, will study at the technical college to be an electrician and a motor mechanic. Please pray for them.

Three baby girls have joined our Chrestos Family in the last few months, and are enjoying the attention from students and staff.

These children are part of a large group of internally displaced people hiding in the jungle in Burma. We were able to send in supplies of rice, blankets and other necessities to them.

They are so grateful for their warm hats and sweaters in beautiful colours that had been lovingly knitted by ladies in the UK. Like the children, each of them is different and each one is special.
